Our forms and Excel spreadsheets

Please make sure that you always check our website's [employers forms and Excel spreadsheets](#) page for the dates of the latest versions before using previously saved versions.

Sample year end return

Following the success of previous years' sample returns, we are repeating this exercise and will accept an email that you are happy that your provider will be doing a sample for at least one of the employers that they provide payroll services to.

So by 17 Feb please email Amanda either that your provider will be doing a sample or complete and return to AJLewis@worcestershire.gov.uk one sample row (for one sample employee of your choice) as at 31 March 2023 (sic) on our [End of year return 2023](#) spreadsheet that is in the fourth last bullet.

Please [see the End of year return 2023 notes](#) and assume that your sample employee's pay / hours remain unchanged from 31 Dec 2022 until 31 March 2023 and that LGPS contribution rates do not change for 2022/2023.

If your payroll provider provides information direct to us, please ask them to send the sample via you for you to check before sending on to Amanda, as this will test that your provider can do what you will require of them and how you will manage / instruct / monitor / allocate resources to the 2023 year-end process.
