McCloud: we will be asking you to issue an 'all staff' email

We will be supplying you with a draft "all staff" email for you to issue to your employees by 31 December to advise them of the changes in the LGPS regulations that have resulted from McCloud.

We will also be asking you to confirm that it has been issued.

In the [News section](#) of our website you can read our latest update for our members on what we are doing re McCloud.

Breaches of law policy

We will be tabling our new [draft breaches of law policy](#) for approval at the upcoming Pension Board / Pensions Committee meetings.

As everyone involved with the Fund has a responsibility to take a pro-active approach to the identification, management and reporting of all breaches of law that have occurred, or are likely to occur, please make sure that you familiarise yourself with the policy.

Pensioner newsletter 2023

We have issued this to our 19,045 pensioner members.
